

### **Practice Cover**

In order to support and enable Practices to attend this event, Barnet CCG have arranged blanket cover from Barndoc for that afternoon. Those Practices with Care UK need to arrange their own cover and pass any costs to the CCG

### **Suggested actions:-**

- You do not need to contact Barndoc as the cover has already been organised
- You may wish to organise Locum cover for you and your colleagues to be able to attend
- Practices may consider putting up a notice in your practice to make patients and staff aware of your attendance to the event
- Any invoices that are received need to be forwarded to the CCG
