

Advanced Nurse Practitioner

Lane End Medical Group is looking to recruit a full-time Advanced Nurse Practitioner to join our friendly forward thinking GP teaching training practice.

The primary focus of the role is to work autonomously providing high-quality and timely patient centred care. We would like to meet ambitious and enthusiastic Advanced Nurse Practitioners who will:

- Be responsible for the assessment, diagnosis, treatment, referral of a diverse range of patients with minor illness.
- Act as an Advanced Care Practitioner, demonstrating advanced clinical competence and a knowledge base beyond those associated with conventional nursing roles.

Qualifications and experience:

- ANP Qualification
- Minimum 2 years' post-registration experience
- Clinical experience in primary health care, A&E or other acute setting
- Minor illness experience within an acute setting
- Active experience of a multidisciplinary team
- Prescribing Qualification

For more information please get in contact with Manisha Patel at Lane End Medical Group on 0208 9583781 or email an up to date CV to Manisha.patel18@nhs.net

Closing Date: **13th December 2020**
