

Managerial Team Vacancy

Oaklodge Medical Centre is a busy Primary Care Practice located in the West of the Borough of Barnet. We are recruiting, with a view to expanding the Managerial Team, who provide leadership across 2 practices.

The successful candidate would have the opportunity to join an experienced well-balanced managerial team. The role provides opportunities to gain experience in various areas of management as well as further development and career progression.

Candidates should be motivated, enthusiastic and willing to share responsibilities. Proven leadership skills would be an advantage.

If this is of interest and you would like to apply, please send CV and covering letter to Caroline.odwyer@nhs.net or you are welcome to contact me for an informal chat.
