

## Understanding the Roles within Multi-Professional Health Teams and Supervision

*Do you provide ad-hoc or regular support or supervision to a colleague from the same or another profession in their learning and development*

*Looking for an update in their training requirements and supervision needs?*

Join us for the first of 2 sessions - online lunch and learn aimed at all Barnet supervisors/trainers/mentors/facilitator's/coordinators of clinical and non-clinical staff.

Session 1 [Friday 12<sup>th</sup> May – 1300-](#)

[1400](#) you will learn about;

- The different roles in Primary Care – the ARRS roles
- Knowledge of different pre-registration requirements.
  - Training road-maps
- Post qualification competencies and assessments.
  - Exploring the benefits of interprofessional supervision and some preparatory work for the second session.

Session 2 [Tuesday 13<sup>th</sup> June 1330-](#)

[1430](#) you will;

Explore inter-professional supervision in much more detail including your **identity as a supervisor**, what makes you a **good supervisor**, and **how to develop a collaborative supervisory relationship** with your learner.
